Special Entries

Places will be reserved in tournaments with standard eligibility fields, as follows:

1. Hall of Fame/Tournament Winners Entries: Two places will be reserved for LPGA Tour Hall of Fame members not otherwise eligible, with priority based on the number of official LPGA tournament wins as of the end of the previous year (and any ties broken by the players' positions on the LPGA Career Earnings List as of the end of the previous year). Any such places not used will be filled with winners of official LPGA tournaments held within the previous 20 years who are not otherwise eligible, with priority based on the number of wins (and any ties broken by the players' positions on the LPGA Career Earnings List as of the end of the previous year). Note: Beginning with the 2011 season, a LPGA member must have won at least eight official LPGA tournaments (provided that in calculating the number of wins for this purpose, a win of any LPGA Major Championship shall be counted as two wins), the last having been won within the previous 20 calendar years, in order to be eligible to fill a place not used by a Hall of Fame member, and the member may enter no more than two tournaments a year through this entry criteria.
2. Sponsor Exemptions: Two places will be reserved for sponsor invitations (in special circumstances necessitated by a tournament location outside the United States or a sponsor from another country, a limited number of additional sponsor invitations may be made available).
3. Local Qualifying: Two places will be reserved for players competing in a local qualifying round.
4. Late Entries: Two places will be reserved for the following players who have not committed to the tournament by the commitment deadline: (a) the winner of the immediately preceding week's official LPGA tournament and (b) Hall of Fame members, provided that, (i) such player notifies an LPGA Tournament Official at the site of the immediately preceding tournament of her intention to enter no later than one hour after the conclusion of such immediately preceding tournament; and (ii) a player may not enter this way more than once a year. Priority will first be given to the winner of the immediately preceding week's tournament, and then to Hall of Fame members based on the number of official LPGA tournament wins as of the end of the previous year (and any ties broken by the players' positions on the LPGA Career Earnings List as of the end of the previous year).
5. Previous Week Top 10: Two places will be reserved for players who are not otherwise eligible, as follows: Each of the top two of such players who finish in the top 10 in a standard-eligibility LPGA tournament prior to the final standard-eligibility tournament of the year (a "Top 10 Event") are entitled to places in the next standard-eligibility tournament after the Top 10 Event, with any tie for the second such player broken or according the place to the player with the lowest most recent round in the Top 10 Event or other official LPGA tournament. If the LPGA tournament immediately following the Top 10 Event is not a standard-eligibility event, the players shall be entitled to places in the next standard-eligibility tournament after that.
