Team Name and Emblem

In 1967 the city of St. Louis was awarded an NHL franchise. The selection of the team's name was an easy one for owner Sid Salomon Jr. "The name of the team has to be the Blues" exclaimed Salomon, after being awarded the new franchise. "It's part of the city where W.C. Handy composed his famed song while thinking of his girl one morning."

The River City of St. Louis has a tradition for blues singers, and the team name represents its rich history. Salomon said, "No matter where you go in town there's singing, that's the spirit of St. Louis."

The emblem the team proudly displays on their sweater is the Blue Note. The BlueNote was taken from the music scale and represents the team's name. Although the Blue Note has been enhanced and modernized, it remains a St. Louis tradition.

The 1997-98 season saw the Blues introduce an "alternative sweater" that January that celebrates a traditional look with a nod to the future. A streamlined Blue Note reminiscent of Blue Notes worn on earlier jerseys is the foundation of the new look. A new "word mark" which introduced navy blue to the team's name and logo was phased in during the season along with the new, restored Blue Note.

The 1998-99 season saw the team unveil a new road uniform with the same clean, colorful design as the Blues' home sweater. This road uniform completed the transition to a totally new look on the road and at home.

The National Hockey League and Reebok have teamed to create the Rbk EDGE Uniform System™ to meet the performance demands of today's NHL player. The result of more than two years of research and testing, the system features technologically advanced materials and fabrics that are more breathable, more water-resistant, more comfortable and more compatible with equipment.

The Rbk EDGE Uniform System is currently worn by all 30 NHL teams in their respective colors and designs. The uniforms were introduced in the 2007-08 season which marked the first time in the history of North American professional sports that a uniform innovation has been implemented League-wide.

The Blues' third jersey was worn for the first time on Nov. 21, 2008 vs. the Anaheim Ducks.

In contrast to previous Blues uniforms which were (and are) primarily accented in royal blue and gold, the third jersey and matching socks lean toward navy blue and white. Features of the third jersey include a base color of navy blue trimmed in white and gold, a new logo on the crest of the jersey featuring the time-honored Blue Note against the Gateway Arch captured within a gold circle highlighted by the words St. Louis Blues, the Blue Note, in navy, trimmed in gold and white on each of the shoulders, uniform numbers on the back and sleeves in white - a first for the Blues - trimmed in gold and navy, a classic, old-school draw string – another first for the team - at the base of the white-trimmed collar and navy socks trimmed in white and gold complement the on-ice look, resulting in a navy blue combination from head to toe - helmets, jersey, gloves, pants and socks.

Scottrade Center

Scottrade Center opened in 1994 and rests on the former site of Kiel Auditorium, located at the intersection of 14th Street and Clark Avenue in the heart of downtown St. Louis. Scottrade Center is a contemporary glass and concrete structure with four seating levels, two restaurants (Bud Light Zone and Blue Note Lounge), 91 private suites, seven party rooms, dozens of concession stands and food courts and three retail shops. The 665,000-square-foot arena seats approximately 20,000 for St. Louis Blues games, while basketball games and floor seating events accommodate nearly 22,000.

Scottrade Center serves as the home to the St. Louis Blues Hockey Club, while also featuring a full range of arena programming including concerts, ice shows, family shows and other sporting events. The 28th annual Busch Braggin' Rights Illinois vs. Missouri Basketball Game was once again the hottest ticket in town over the holiday season, with 19,586 fans witnessing the two rival schools battle it out for the bragging rights title. Scottrade Center proudly hosted two major sporting events last season, the 2009 NCAA Division I Men's Wrestling Championships in March and the 2009 NCAA Women's Final Four Basketball Championships in April. Scottrade Center will also be the home for college hockey's Ice Breaker Tournament in 2010 and 2011.

Highlights of the past 14 years include the 2007 NCAA Division I Men's Ice Hockey Frozen Four National Championship, the 2006 U.S. Figure Skating Championships, the 2000, 2004, 2005 and 2008 NCAA Division I Men's Wrestling Championships, 1999 Papal Visit Youth Rally, the 1998 NCAA Midwest Regional Men's Basketball Championship, the 2000 John Hancock U.S. National Gymnastics Championships, the 2001 NCAA Women's Final Four Basketball Championships and the WBC/WBA/IBF Welterweight Championship between Zab Judah and Cory Spinks in 2005; superstar concerts including Paul McCartney, U2, Billy Joel, Frank Sinatra, Garth Brooks, the Police, Pavarotti, Neil Diamond, Fleetwood Mac, Eric Clapton, Kiss, Tina Turner, Cher, the Rolling Stones, Bruce Springsteen, Elton John, the Eagles, AC/DC, Tim McGraw and Faith Hill; sold out World Wrestling Entertainment live television events; and record setting grosses for Harlem Globetrotters, Sesame Street Live, Ringling Bros. and Barnum & Bailey Circus and Disney on Ice.

Scottrade Center is privately operated by SCP Worldwide, owner of the St. Louis Blues, under the leadership of its chairman, Dave Checketts. Naming rights for the arena were sold in September 2006 to Scottrade, Inc., a St. Louis-based leading branch-supported online brokerage.

Order of Selection for 2010 Entry Draft

The NHL's annual Draft Drawing is a weighted lottery system to determine the order of selection for the first 14 picks of the 2010 Entry Draft.

The 14 teams that did not qualify for the Stanley Cup Playoffs, or clubs that acquired those clubs' 2010 first-round draft picks, participate in the Drawing.

The Club selected in the drawing may not move up more than four positions in the draft order, thus only the five Clubs with the fewest regular-season points have the opportunity to receive the first overall selection.

No Club can move down more than one position as a result of the Draft Drawing.

In the first round of the 2010 Entry Draft, the order of selection is as follows:

a) The first 14 selections, as determined by the Draft Drawing (see above);
b) Clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, regular-season division winners excluded, in inverse order of points;
c) Regular-season division winning clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, in inverse order of points;
d) Clubs eliminated in the 2010 Conference Finals, in inverse order of points;
e) Stanley Cup Finalist
f) Stanley Cup champion

In the second and subsequent rounds the order of selection is as follows:

a) Non-playoff clubs in inverse order of points;
b) Clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, regular-season division winners excluded, in inverse order of points;
c) Regular-season division winning clubs eliminated in the first two rounds of the 2010 Stanley Cup Playoffs, in inverse order of points;
d) Clubs eliminated in the 2010 Conference Finals, in inverse order of points;
e) Stanley Cup Finalist
f) Stanley Cup champion

Eligibility for Claim

a) All Players age 18 or older are eligible for claim in the Entry Draft, except:

i. a Player on the Reserve List of a Club, other than as a try-out;
ii. a Player who has been claimed in two prior Entry Drafts;
iii. a Player who previously played in the League and became a Free Agent pursuant to this Agreement;
iv. a Player age 21 or older who: (A) has not been selected in a previous Entry Draft and (B) played hockey for at least one season in North America when he was age 18, 19, or 20 and shall be eligible to enter the League as an Unrestricted Free Agent pursuant to Article 10.1(d); and 18
v. a Player age 22 or older who has not been selected in a previous Entry Draft and shall be eligible to enter the League as an Unrestricted Free Agent pursuant to Article 10.1(d).

Unsigned Draft Choices

a) A player aged 18 or 19 who was selected in the first three rounds of the Entry Draft and who was not signed by his NHL Club may not be retained by the Club and must be returned to his junior Club no later than the day prior to the opening of the NHL regular season.

b) A player aged 18 or 19 who was selected in the fourth or subsequent rounds who has not been signed by his NHL Club may not be retained by his Club and must be returned to his junior Club no later than the fourth day prior to the opening of the NHL regular season.

Entry Level Players

1. Players 18 through 21 years of age when signing their first contract must remain in the entry-level system for a period of three years; players age 22 and 23 when signing their first contract are in the entry level system for two years; while those age 24 when first under contract are in the entry level system for one year. Age is defined as the player's age on September 15 of the calendar year in which he signs the contract, regardless of his actual age on the date he signs such contract.

2. In the event that a signed 18 or 19-year-old player does not play a minimum of 10 NHL games (regular season and/or playoffs) in his first season under contract, the term of his player contract and his number of years in the entry level system will be extended for a period of one year. The exception to this is a 19-year-old player who turns 20 years of age between September 16 and December 31 in his first contract year.

3. In the event that a player signs his first contract at age 18 and has had his Player Contract extended for one season already, and such player does not play at least 10 NHL games (regular season and/or playoffs) in the second season under that player's Player Contract, then the term of his Player Contract and his number of years in the Entry Level System shall be extended for one additional year.

23-Man Roster

There may be a maximum of 23 players on each Club's playing roster at any one time from the commencement of the NHL regular season through the trade deadline. Prior to the start of the season, each Club must submit to the NHL its "Opening Day Playing Roster" which shall be comprised of not more than 23 players. Each Club must have a roster of at least 20 players, composed of 18 skaters and two goaltenders. Players on Injured Reserve do not count in the 23-Man Roster limit.

Injured Reserve List

In the event that a player is injured and a Club wishes to place him on the Injured Reserve List, the Club must follow these procedures.

1. A Club may place a player on the injured reserve list if such player is injured, disabled or ill and unable to perform his duties as a hockey player after having passed the Club's initial physical examination in that season.
2. A player who has an injury that renders him physically unable to play for a minimum of seven days after that date of the injury can be placed on the Club's Injured Reserve List. Once a player is placed on the injured reserve, the Club may replace said player on its NHL roster with another player. All determinations that a player has suffered an injury warranting injured reserve status must be made by the Club's medical staff and in accordance with the Club's medical standards.
3. A player placed on Injured Reserve is ineligible to compete in NHL games for a period of not less than seven days from the date of injury.
4. Players on Injured Reserve may attend Club meetings and meals, travel with the Club and participate in practice sessions.
5. Players on Injured Reserve are prohibited from appearing in games, participating in pre-game warm-ups with their Clubs, or dressing in game uniforms on game days.

Regular Season Waivers

For purposes of Regular Waivers and Re-Entry Waivers, the five (5) year exemption for an 18 year old skater and the four (4) year exemption for a 19 year old skater shall both be reduced to three (3) years commencing the first season that the 18 or 19 year old skater plays in eleven (11) NHL Games or more. The next two (2) seasons, regardless of whether the skater plays any NHL Games in either season, shall count as the second and third years toward satisfying the exemption. For purposes of Regular Waivers and Re-Entry Waivers, the six (6) year exemption for an 18 year old goalie and the five (5) year exemption for a 19 year old goalie shall both be reduced to four (4) years commencing the first season that the 18 or 19 year old goalie plays in eleven (11) NHL Games or more. The next three (3) seasons, regardless of whether the goalie plays any NHL Games in any of those three (3) seasons, shall count as the next three (3) years toward satisfying the exemption.

The first season in which a Player who is age 20 or older plays in one (1) or more Professional Games shall constitute the first year for calculating the number of years he is exempt from Regular Waivers and Re-Entry Waivers.

A Player 25 years old or older who plays in one (1) or more Professional Games in any season shall be exempt from Regular Waivers and Re-Entry Waivers for the remainder of that season.

Tie-Breaking Procedures

At the conclusion of the regular season, the standing of the teams in each Conference shall be determined in accordance with the following priorities in the order listed:

a) First place in each of the three (3) divisions seeded 1, 2, and 3.
b) The higher number of points earned by the Club.
c) The greater number of games won by the Club.
d) The higher number of points earned in games against each other among two (2) or more Clubs having equal standing under priority (b) and (c) **
e) The greater differential between goals scored for and against by Clubs having equal standing under priority (d).

** NOTE: For the purpose of determining standing under priority (d) for two or more tied Clubs that have not played an even number of games with one or more of the other tied Clubs, the first game played in the city that has the extra game (the "odd game") shall not be included. When more than two Clubs are tied, the percentage of available points earned in games among each other (and not including any "odd games") shall be used to determine standing.

How to Figure...

** NOTE: No individual skater/goaltender statistics apply for the shootout

Assist ..... An assist is awarded to the player or players (maximum of two) who touched the puck prior to the goal, provided no defender plays or possesses the puck in between.

Game Played ..... A player receives credit for playing in a game if: i) he steps on the ice during time played or; ii) serves any penalty.

Game-Winning Goal .... After the final score has been determined, the goal which leaves the winning Club one goal ahead of its opponent is the game-winning goal (example: if Team A beats Team B 8-3, the player scoring the fourth goal for Team A receives credit for the game-winning goal).

Goal ..... A goal is awarded to the last player on the scoring Club to touch the puck prior to the puck entering the net.

Goals-Against Average ... Multiply goals allowed (GA) by 60 and divide by minutes played (MINS).

Goaltender ..... A goaltender receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

Penalty-Killing Pct. ..... Subtract total number of power-play goals allowed from total number of shorthanded situations to get total number of power-plays killed. Divide the total number of power-plays killed by the total number of shorthanded situations.

Plus-Minus ..... A player receives a "plus" if he is on the ice when his Club scores an even-strength or shorthand goal. He receives a "minus" if he is on the ice for an even-strength or shorthand goal scored by the opposing Club. The difference in these numbers is considered the player's plus-minus statistic.

Power-Play Goal ..... A goal scored by a Club while it has a manpower advantage due to an opponent's penalty.Following are some examples of what is and is not considered a power-play goal:

- if a Club has an advantage on a minor penalty starting at 2:02 of the period and it scores at 4:02, the goal is not a power-play goal.
- if a Club scores on a delayed penalty, the goal is not a power-play goal.

- if a Club has an advantage due to a five-minute major or match penalty, that Club is always credited with having one more advantage than the number of power-play goals it scores during that advantage, because the penalty does not expire. A new advantage begins after each power-play goal. For example, if Team A scores three goals during a major penalty, it is credited with four advantages.
- if a Club is on a power-play for any length of time, it is considered to have had an advantage.
- if a minor penalty is incurred by a Club on a power-play due to a major penalty, a new advantage is given to that Club when its minor penalty expires, provided the opponent's major penalty is still in effect.

Power-Play Percentage . . . .Total number of power-play goals divided by total number of power-play opportunities.

Save Percentage . . . . . .Subtract goals allowed (GA) from shots against (SA) to determine saves. Then divide saves by shots-against.

Shooting Percentage . . . .Divide the number of goals scored by the number of shots taken.

Shorthand Goal . . . . . .A goal scored by a Club while it is at a manpower disadvantage. The same cases apply for shorthand as for power-play goals, but in the opposite manner.

Shot on Goal . . . . . .If a player shoots the puck with the intention of scoring and if that shot would have gone in the net had the goaltender not stopped it, the shot is recorded as a "shot on goal".

Shutout . . . . . .If two goaltenders combine for a shutout, neither receives credit for the shutout. Instead it is recorded as a Club shutout.

Tenths of a Second . . . . .If a penalty or goal occurs in the last minute, the time is rounded off to the previous second (ex: if a penalty is called with 12.4 seconds left in a period, the time is indicated as 19:47 and not 19:48.)

Coaches Record . . . . . .A coach receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.
