10. **Non-Member Top 80 Category:** Each player who, as of the conclusion of the last official LPGA tournament of the previous year, won an amount of money as a non-LPGA member during such year in official LPGA co-sponsored domestic tournaments with fields of seventy-five (75) or more, that is equal to or greater than the amount of official money won by the player who was in 80<sup>th</sup> place on the LPGA Official Money List at that time (with priority based on the amount of money won in such tournaments).

11 **Top 20 Q-School Category/Nos. 81-100 Category:** In alternating order, top 20 from the previous year's LPGA Final Qualifying Tournament and Nos. 81-100 on the LPGA Official Money List at the end of the last official LPGA tournament of the previous year, with (in the case of the Qualifying Tournament players) any ties broken on the basis of the lowest most recent round in the final and sectional Qualifying Tournament, except that, in the event of a tie for 20<sup>th</sup> place at the Qualifying Tournament, the 20<sup>th</sup> place shall be determined through a play-off held at the Qualifying Tournament. Alternating order starts with the top finisher at the Qualifying Tournament, then goes to the 81<sup>st</sup> player on the LPGA Official Money List, then goes to the 2<sup>nd</sup> place finisher at the Qualifying Tournament, then goes to the 82<sup>nd</sup> player on the LPGA Official Money List, etc. However, if a player No. 81-100 on the LPGA Official Money List at the end of the last official LPGA tournament of the previous year, improves her status within this category by way of her finish in the LPGA Final Qualifying Tournament, she will assume the higher priority status. Her lower priority status will be assumed by the next available player within this category from the LPGA Official Money List of the previous year who has also not improved her status via the LPGA Final Qualifying Tournament.

**Example:** A player finishes 95<sup>th</sup> on the LPGA Official Money List at the end of the last official LPGA tournament of the previous year. She competes in the LPGA Final Qualifying Tournament and finishes 1<sup>st</sup>. She assumes the higher priority status within this category and vacates her lower priority status position, which is then assumed by the player who finishes 96<sup>th</sup> on the LPGA Money List of the previous year. If the player who finishes 96<sup>th</sup> on the LPGA Official Money List also improves her position within this category via the LPGA Final Qualifying Tournament, the player who finished 97<sup>th</sup> on the LPGA Official Money List will assume the vacated priority status by the who finished 95<sup>th</sup> and the player who finished 98<sup>th</sup> will assume the priority status vacated by the player who finished 96<sup>th</sup> etc.

**Note:**

**T&CP Entries:** The Champion of the most recent LPGA Teaching and Club Professional (T&CP) National Championship and the Champion of the most recent T&CP Section Championship of each T&CP Section may enter one standard eligibility event during her tenure as Champion, falling in priority behind Category 20, with priority among the T&CP members going first to the National Champion, and then to the Section Champion whose Section residence is closest to the event.

**Medical, Maternity and Family Leave Extensions:** For 2010, players with medical, maternity and family leave extensions of status will slot in the bottom of the priority list categories that most closely approximate their status at the beginning of 2009.

**Re-Ordering:** For the 10<sup>th</sup> through 16<sup>th</sup> LPGA tournaments of the year, players who were in Categories 14 through 20 at the beginning of the season will be re-ordered with priority based on the order of the current year's LPGA Official Money List as of the 8<sup>th</sup> official LPGA tournament of the year, falling in priority behind Category 13. For the remainder of the LPGA tournaments of the year, such players will be re-ordered based on the order of the current year's LPGA Official Money List as of the 15<sup>th</sup> official LPGA tournament of the year, falling in priority behind Category 13.

**Special Entries**

Places will be reserved in tournaments with standard eligibility fields, as follows:

1. **Hall of Fame/Tournament Winners Entries:** Two places will be reserved for LPGA Tour Hall of Fame members not otherwise eligible, with priority based on the number of official LPGA tournament wins as of the end of the previous year (and any ties broken by the players' positions on the LPGA career earnings list as of the end of the previous year). Any such places not used will be filled with winners of official LPGA tournaments held within the previous twenty (20) years who are not otherwise eligible, with priority based on the number of wins (and any ties broken by the players' positions on the LPGA career earnings list as of the end of the previous year). Note: Beginning with the 2011 season, an LPGA member must have won at least eight official LPGA tournaments (provided that in calculating the number of wins for this purpose, a win of any LPGA Major Championship shall be counted as two wins), the last having been won within the previous twenty (20) calendar years, in order to be eligible to fill a place not used by a Hall of Fame member, and the member may enter no more than two tournaments a year through this entry criteria.

2. **Sponsor Exemptions:** Two (2) places will be reserved for sponsor invitations (in special circumstances necessitated by a tournament location outside the United States or a sponsor from another country, a limited number of additional sponsor invitations may be made available).

3. **Local Qualifying:** Two (2) places will be reserved for players competing in a local qualifying round.

4. **Late Entries:** Two (2) places will be reserved for the following players who have not committed to the tournament by the commitment deadline: (a) the winner of the immediately preceding week's official LPGA tournament and (b) Hall of Fame members, provided that (i) such player notifies an LPGA Tournament Official at the site of the immediately preceding tournament of her intention to enter no later than one (1) hour after the conclusion of such immediately preceding tournament and (ii) a player may not enter this way more than once a year. Priority will first be given to the winner of the immediately preceding week's tournament, and then to Hall of Fame members based on the number of official LPGA tournament wins as of the end of the previous year (and any ties broken by the players' positions on the LPGA career earnings list as of the end of the previous year).

5. **Previous Week Top 10:** Two (2) places will be reserved for players who are not otherwise eligible, as follows: Each of the top two (2) of such players who finish in the Top 10 in a standard eligibility LPGA tournament prior to the final standard eligibility tournament of the year (a "Top 10 Event") are entitled to places in the next standard-eligibility tournament after the Top 10 Event, with any tie for the second such player broken by according the place to the player with the lowest most recent round in the Top 10 Event or other official LPGA tournament. If the LPGA tournament immediately following the Top 10 Event is not a standard eligibility event, the players shall be entitled to places in the next standard-eligibility tournament after that.
