

It has been an honor to have been a Chicago Cub for the last 13 years and to have played in the greatest ballpark, Wrigley Field. My deepest thanks go to my teammates and the Cubs organization for taking a chance on a kid from Texas and welcoming me into the Cubs family. Thank you Cubs fans, the greatest fans in all of baseball, for believing in and supporting me over the years. I will always be proud to have been a Chicago Cub.

*Although I'm a member of a new "Tribe,"
I will forever be a Chicagoan.*
